The Ridge Supporters

To Parents/Carers,

The committee of 'The Ridge Supporters' would like to bring to your attention who we are and what we try to achieve to help in supporting the students.

It is just over a year ago that we got together to form a committee. Some of you will be aware of the activities we have put together along with the help of the students and the college staff. A few examples are Race Nights, a Trumpet and Tinsel Band Concert in December, Coffee Mornings and Bingo & Quiz evenings.

The aim of the group is to raise funds to support the students. This can be to provide extra funding for activities or equipment to support their independence and the learning of essential life skills. To date we have raised a fantastic amount in excess of £7000.00p

We have just received confirmation of acceptance from the Charities Commission and are now a registered charity. We are looking for new members to come along and join us to provide as much help and support as possible for these deserving young students. If anyone would be interested in either joining our group or finding out more about us please get in touch. We would also be interested in any new ideas that anyone would be willing to put forward. Maybe you know someone who would consider giving a couple of hours a month to come along to a meeting and join us.

Dates and times can be arranged to suit, our next meeting is planned for Wednesday 27th February 1.00pm at The Highwayman Woodlands.
