Bev Ridge Café

We spent some time at Bev Ridge Café where we asked questions about employment such as:
Do they they wear a uniform?
What do they serve?
How many hours do they work?
We found it very interesting.

Group 2 went to Harmony house and took part in smoothie making and a careers challenge.

Group 1 had an aiming high career challenge. Here are some of the learners quotes from the day

"We looked at jobs within different areas"

"We worked as part of a team"

"We created a Career timeline using Power Point or Word"

"We talked about realistic career goals"

"We discussed how we could get more information about our career choice."

Turn to the next page to find out more...

TJ – I enjoyed looking at all the different stalls at the neurodiversity event and talking to the people on the different stalls.

CA – Walking round the stalls at neurodiversity was interesting and I learned about different jobs.

LF – I made my own smoothie it was lovely and healthy. I worked out how much it cost.

JW - I would like to get a job so I was interested in visiting Bev ridge.

SY - I enjoyed going on the train to Sheffield and looking at all the careers stands.

BH – I enjoyed Sheffield we got lots of information about jobs

After College Club

In September 2017 we launched the 'After College Clubs'.

After College Club operates 4 nights a week, 3 hours a night and provides learners and graduates the opportunity to have fun in a safe and friendly environment.

Monday – Thursday 3 pm until 6 pm.

The Ridge and Beyond is a platform for supporting learners, parents and carers in raising awareness of available support beyond college. This includes care in the community, local social care providers and youth groups. These can be accessed by learners who are still at college or who have graduated

A fun adventure, major challenge and a wide range of activities offer endless possibilities to anyone aged 14 to 24. Millions of young people in the UK have already taken part in the world's leading youth achievement award – pushing personal boundaries, gaining new skills and enhancing their CVs and university applications..
