### **After College Club**

In September 2017 we launched the 'After College Clubs'.

After College Club operates 4 nights a week, 3 hours a night and provides learners and graduates the opportunity to have fun in a safe and friendly environment.

**Monday – Thursday 3 pm until 6 pm.**

The Ridge and Beyond is a platform for supporting learners, parents and carers in raising awareness of available support beyond college. This includes care in the community, local social care providers and youth groups. These can be accessed by learners who are still at college or who have graduated

A fun adventure, major challenge and a wide range of activities offer endless possibilities to anyone aged 14 to 24. Millions of young people in the UK have already taken part in the world's leading youth achievement award – pushing personal boundaries, gaining new skills and enhancing their CVs and university applications..
