News from around the hubs.

Well done hub 1 you have received positive feedback during an observation from Mike Forth, Educational Consultant. Each member of hub 1 created a poster for World Mental Health Day. Fantastic ICT skills.

Hub 2 celebrated PBr and JR's birthday this week. We also enjoyed the cafe experience where we had cottage pie and cake and custard. It was delicious, thank you to BEV-Ridge staff. We completed our random acts of kindness in support of world mental health day. We have practised our speaking and listening and are making great improvements. We have also developed our calculator skills further.

The hub 3 art project was made using recycled rubbish learners collected, this was part of our litter picking and the effects of plastic on the earth.
