

Has someone threatened to share your pictures without your consent?

Is someone using social media to keep tabs on you?

The South Yorkshire NetReach team is here to help. Take our contact details below if you would like some advice on what you can do or if you would like support.

Call or text: 07719547752 or email net.reach5@changing-lives.org.uk for support if you are worried about your pictures being leaked or if someone is using social media to monitor you
