

# Sew-Ridge

Sew-Ridge allows learners to learn skills and qualities in:

- ❖ Knitting
- ❖ Crocheting
- ❖ Vinyl printing
- ❖ Crafts
- ❖ Sewing

Along with the staff team, we have volunteers getting involved to assist learners with the development of these skills!

The final products will be sold through events linked to the college, like these Christmas Decorations made last year, sold at the Christmas fair!

*A range of qualifications are available to support this industry.*
