Special Educational Needs and Disabilities Policy (SEND)

1. General statement

This Special educational needs policy has been approved by the Board of Directors of The Ridge Employability College.

The college believes that every learner has an entitlement to develop their full potential. Educational experiences are provided which develop learners' achievements and recognise their individuality. Diversity is valued as a rich resource, which supports the learning of all. At The Ridge Employability College, we recognise a young person's right to a broad, balanced, relevant and challenging curriculum, which is appropriate to their individual abilities, talents and personal qualities.

2. Aims

The college aims to:
